

Space Link Transportation Co., Ltd.

Top Master Loader in Air Freight Market

Space Link Transportation Co., Ltd is a leading freight forwarder driven by commitment to be a high quality logistic service provider for its clients and partners worldwide. As the world opened its eyes to the needs of reducing transportation costs, Space Link provides a variety of cost-effective plans that are tailor-made for different scenarios to meet the demands of clients.

History

Space Link Transportation Co., Ltd was founded in 1990 and it is the first WCA enrolled member in Taiwan. Space Link is a sister company of MLAT Logistics Group (including Marine-Land-Air Transportation Co. Ltd. , Great China Transportation Co. Ltd. , Evergrow Logistics Co. Ltd. , United Asian Logistics Co. Ltd. , Space Link Transportation Co., Ltd.) who has always been one of the top master loaders in air freight market.

key of success:long-term strong relationships

The key of our success lies on long-termed strong relationships with major Airlines and Shipping lines as well as our well-trained and highly experience staff. In any of the transportation needs to/from Taiwan, you can leave all your burden to Space Link. We believe a trial will speak for itself.
